

# SOUTH CENTRAL TRANSIT

## RESIDENT SURVEY

Please complete the following survey in it's entirety. By completing this survey, you will help South Central Transit design a transportation service route from Centralia to Mt. Vernon

1. Would you use a public transportation shuttle service?  Yes  No

If yes, what may be your particular reasons to use this service?

- Medical Appointment     Shopping     Recreation     Social
- Convenience     Dining     Unable To Drive     Other

2. How often do you think you would use a public transportation shuttle?

- 1 to 2 times per week     3 or more times per week

3. What day or days of the week would best accommodate you?

- Monday     Tuesday     Wednesday
- Thursday     Friday

4. What time of the day would best accommodate you?

- Early morning     Mid morning     Late morning
- Early afternoon     Mid afternoon     Late afternoon

5. If a public transportation shuttle was established what places would you like the route to include? Example: Wal Mart, Kroger, Service Agencies, Hospital, etc.
