SERVICE TYPES

Door-to-door service is available per customer request. Passengers must request service through the dispatching department at the time of scheduling transportation. With door-to-door service, the SCT driver (or escort) assists the passenger from the door of the pick-up point to the SCT vehicle and from the SCT vehicle to the door of the destination point. **Under no circumstances will the driver be allowed to enter a client's residence or apartment building beyond the first outer door or ground floor lobby and, therefore, cannot perform any personal services for the client.** Door-to-door service is provided as long as conditions make it safe to do so.

CURB-TO-CURB SERVICES

Curb-to-curb service is provided unless door-to-door service is requested. Curb-to-Curb service is provided to passengers who have purchased a discounted monthly pass, and/or daily fare clients. With curb-to-curb service, the SCT vehicle stops at the curb for passenger pick-ups and deliveries. **SCT driver will assist passengers boarding and de-boarding the vehicle as long as passenger has requested assistance.**

RESERVATIONS, SCHEDULING, AND CANCELLATIONS

Customers must call 1-800-660-7433 a minimum of one day in advance to schedule transportation. SCT will not guarantee reservations taken past 3:30 P.M. the day before service is required. Customers receiving same-day service will pay "same-day service" fare of \$5.00 per trip inside city limits of cities served. Same day service outside city limits, please contact the dispatching department for additional information.

The dispatcher will not be responsible for confirming appointments with doctors, etc. A pick-up or delivery time may be adjusted by the dispatcher/scheduler, if necessary, in order to maintain efficiency; therefore, riders are encouraged to be ready 15 minutes prior to a scheduled pick-up time. **Drivers will wait no longer than five (5) minutes past arrival time before proceeding.**

CANCELLATION POLICY

In an effort to coordinate and distribute services to the greatest number of people in our service area, the following policies will be implemented:

SCT encourages and appreciates patrons who cancel in a timely manner. Cancellations should be received 24 hours in advance or as early as possible to

give other consumers the opportunity to schedule into that time slot. SCT understands that emergency situations do arise that prevent a full 24-hour notice, and will accept cancellations up to 2 hours prior to the scheduled pick up time without penalty; however, clients are strongly encouraged to call as early as possible for cancellations.

LATE CANCELLATIONS

1. Cancellations must be received a minimum of two hours prior to the scheduled pick up time. This can be achieved by either contacting the dispatching/scheduling staff during normal business hours (5:00 A.M. – 7:00 P.M.) or through SCT's voice mail system, which is available during non-business hours.
2. Any cancellation received later than two hours prior to the scheduled pick up time will be considered a No-show and a \$4.00 fee will be assessed.

This policy is intended to encourage early cancellation of services so that others may have the opportunity to fully utilize SCT's services.

EXCESSIVE CANCELLATIONS

SCT encourages all clients to call in to cancel transportation services as described above, however, to avoid excessive cancellations which prevent fair and equitable use of the transportation system by all clients, an excessive cancellation policy will be implemented as follows:

1. SCT personnel will monitor weekly activities of all scheduled vs. cancelled rides. Clients observed to have six (6) cancellations within any 30-day rolling period would receive a written warning via mail.
2. Those clients who have received the written notification and who have in excess of six (6) cancellations in any future 30-day rolling period following the notification, will be charged a \$2.00 excessive cancellation fee per cancellation thereafter for a period of 30 days.

PASSENGER CONDUCT AND RESPONSIBILITIES

SCT requires all passengers to be courteous and considerate of other passengers, staff, and the driver. Instructions from a driver are to be followed by all passengers. Behavior that may affect the safety of other passengers or the driver or create a safety hazard to other passengers/drivers or others will not be tolerated. Continued carriage of such persons or groups will be decided on a case by case basis, and may require the presence of one or more attendants to be provided by the family/residential or daycare facility/social welfare/health care agency as appropriate.

SCT requires ALL passengers to wear a seatbelt. Drivers will be more than happy to assist you in securing the seatbelts. Please advise the driver accordingly. It is the responsibility of parents to secure children ages 2 and under.

Inappropriate behavior such as eating, drinking, use of tobacco products, foul language, lack of personal hygiene, disruptive behavior, bothering of other passengers, horseplay, fighting, carrying of weapons, possession of illegal drugs or substances or having open containers of alcohol on the vehicle will result in the passenger being suspended from riding SCT vehicles.

Any person(s) who is found to loiter at a pick up point specifically for the purpose of making the driver wait the full 5 minutes before boarding may be suspended from service.

SCT reserves the right to refuse service to any individual violating these policies.

PASSENGER NO-SHOW POLICY

Definition

In this policy, a no-show is defined as the act of a person who, having scheduled a trip, changes his/her mind about making the trip but does not cancel the appointment within the 2 hour prior time frame or allowing the vehicle to arrive but not boarding it.

Purpose

The purpose of this policy is to set forth the procedure for informing users of South Central Transit about the importance of scheduling service appointments and of properly canceling those services a minimum of 2 hours in advance should services no longer be needed. Any rider who fails to cancel at least two hours prior to their scheduled service will be considered a no-show. It is also to let consumers know that an established pattern of no-shows may result in suspension of services.

Procedure

When a person has scheduled services, he/she has the responsibility to be ready a minimum of 15 minutes early and to board the vehicle no later than 5 minutes after it arrives or to cancel the trip within a reasonable period of time, i.e. a minimum of two hours or more before the scheduled pick-up time. Services cancelled after the two hour prior to service time line **will be considered a no-show.**

South Central Transit will maintain records in order to keep track of no-show incidents. For the first no-show incident, the rider will be charged \$4.00 per trip for services inside city limits of cities served, and **cost of the trip for services outside city limits of cities served.** Clients are expected to pay no-show fee at the next time of service. No charging will be allowed. If you are a "No-Show" all subsequent trips for that day will be automatically cancelled unless you telephone South Central Transit and confirm that you still need your other trips at the time that the no show occurs.

Each successive no-show will be charged at \$4.00 per no-show for services inside city limits of cities served, and \$5.00 for services outside city limits of cities served. **Services will continue to be provided through three no-shows. Once he/she reaches the third no-show, services will be suspended until such time as he/she goes to the local SCT office to pay the outstanding no-show fees. No scheduling will be allowed until the outstanding fees are paid in full at the local SCT office.**

Client information will be reviewed on a monthly basis. Clients determined to have chronic no-show problems may be suspended for up to three months to allow room for those clients who really need and will use the service. Determinations will be made on a case-by-case basis and are at the sole discretion of South Central Transit.

All new riders should expect to show a picture ID at the time of his/her first boarding for identification purposes. Riders may, at any time, be required to show a picture ID upon request to verify identification.

Any rider who creates alias names in the system in order to avoid paying penalty fees will be permanently removed from service based upon a determination of fraud to the District.

NO-SHOWS AND SUBSCRIPTION SERVICES

Subscription services are intended for those individuals who use the service from one destination to another destination at the same time and on the same days of the week. These services eliminate the need for a client to call in on a daily/weekly basis to schedule rides except in the case of a cancellation. Holding a subscription service is a privilege as there are a limited number of subscription services available. If you have a subscription service and no-show three times within a rolling 60-day period, your subscription service will be canceled and offered to another passenger. In addition, all no-show fees will apply. You will not be considered for subscription services again for a period of one year.

No-shows that occur because of an emergency situation beyond the customer's control will be considered a "non-chargeable" no-show, provided the customer can offer an explanation **with documentation. A "non-chargeable" no-show can only occur one time within any calendar year.**
