UNFINISHED BUSINESS

**Purchasing Policy** – Guidish motioned to dismiss the item from the agenda. Conley asked for a second. No second, motion failed. Rodden reviewed the proposed policy that was tabled by Guidish and Copeland at the February Board meeting. Niederhofer offered a recommendation, if they are going to be discussing the by-laws, it may want to be inserted into the bylaws. Rodden acknowledged. Item will be discussed during By-Law Update agenda item.

**7th Member Board** – Rodden stated that item was on the Personnel Committee meeting to be discussed, the meeting went long, and it should go back to the committee. Schubert stated that the appointments need to be reviewed as 4 members terms are completed this year, 1 in 2020, 1 in 2021 and 1 in 2022. Schubert’s suggestion is to address appointments when addressing 7th member board.

NEW BUSINESS

**Funding Application/Resolution/Budget** - Clift presented the proposed FY20 Budget to the Finance Committee last week. An increase of 2% overall was noted. The proposed FY20 Budget was included in all board members packets. Clift asked for any questions. Motion to accept by Schubert, Rodden asked about the Legal Opinion and Resolutions. Clift reviewed and stated that Legal Counsel had given those to her. Marvin Miller reviewed the Legal Opinion, and Clift the Resolutions. Both resolutions require Board approval. Schubert continued his motion to include those items, second by Boyd. Guidish asked for discussion, and to debate the motion. Guidish ask if the budget was put out in a Public Hearing, Clift stated yes, Guidish stated the Trustee from Marion County was not notified of a Public Hearing, not electronically, not by mail, certified mail, email, text or any method. He stated that if it was put out publicly, what publications were notified about the Public meeting. Clift stated it was put in a newspaper of every county that we serve, Morning Sentinel, Nashville News, Breese Journal, Pinckneyville Press, West Frankfort Gazette and the Jefferson County Sentinel. She stated none of the Trustees were notified of it. It was talked about at the committee meeting last week but there was no notification. Niederhofer stated it is posted at all of the doors of SCT facilities and on the SCT website. Guidish stated that everything that this body does they usually receive a notice, an agenda, a heads up. Guidish stated that
the Board members are intitled to a packet of notice so they can be at the Public Hearing. He stated that the budget doesn’t give much detail and it needs to be addressed in more detail. It’s bad public policy to not notify the members ahead of time that there was a public meeting at 11am. This is an item for the Board to address, that they shall receive notice of public hearing of the budget. Rodden stated the budget looks abbreviated, it is in the same form as in the past, the information for any line item is available, and the budget was discussed at length and the line items were dissected at the Finance committee meeting that Mr. Copeland chaired and none of the board received notice that the budget was going to be discussed other than when the grant application was preliminarily reviewed. Niederhofer stated that the budget is in the format that IDOT puts it in, SCT plugs the numbers in, IDOT generates the format. A motion was made and seconded, roll call vote was taken. Easterly yes, Rodden yes, Schubert yes, Guidish no, Boyd yes, Conley yes. Motion passes.

**Employee Handbook** – Nollman-Hodge stated revisions were sent in the board packets to all and ask for any questions. Motion to accept by Guidish, seconded by Boyd. All aye. Motion carried.

**By-Law Update** – Rodden stated that the By-Laws have not been addressed in a while and there are a few items that were emailed to everyone. Rodden stated he suggests the board members have a meeting to review all the By-Laws, stating an 80% vote would be needed. Rodden suggested a retreat at the Transportation Center, open to the public, a working session to go through the By-Laws. He suggested after the committee meetings next month possibly. Guidish stated that would be bad public policy, he is opposed to that completely. He stated if someone wants to propose a by-law change, propose the change, review it one month and vote on it the next month. Schubert stated he will not be at committee meetings next month. Rodden proposed they hold the meeting in May, after the OMA meeting.

Conley stated she had one thing to add to the agenda that she just received today. Correspondence from CTD stating, “Please accept this 60 day notice of termination of the administrative services agreement with CTD and SCT dated June 8, 2011. Per the agreement a 60 day notice must be given, therefore the agreement will terminate June 28, 2019. However, CTD would prefer the agreement terminate immediately. We appreciate your consideration in this matter.” Guidish motioned to accept their 60 day notice. No
