Payment for completed services or item(s) provided to, and accepted by, the District shall be at the Contract price. The District may withhold from amounts otherwise due to the Bidder for such completed supplies such sum as the Contracting Officer, or the Contracting Officer's authorized representative, determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.

## **DISADVANTAGED BUSINESS ENTERPRISES**

To be a qualified Disadvantaged Business Enterprise, the person, firm, or entity must be registered as part of the Illinois Unified Certification Program <http://www.dot.state.il.us/ucp/ucp.html> AND listed in the Illinois

Unified Certification Program Directory. All other certifications, registrations, or inclusion in another directory, are invalid for purposes of this contract. *POLICY*: It is the policy of the Federal Transit Administration that Disadvantaged Business Enterprises as defined in 49 C.F.R. Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or part with federal funds under this agreement. Consequently the Disadvantaged Business Enterprise requirements of 49 C.F.R. Part 26 will apply to any agreement awarded for this project.

In connection with the performance of this Agreement, the Bidder shall cooperate with the District in meeting its commitments and goals with regard to maximum utilization of Disadvantaged Business Enterprises and will ensure that Disadvantaged Business Enterprises shall have the opportunity to participate in the performance of contracts and subcontracts for this Agreement. It is important to not only identify the Disadvantaged Business Enterprise but to explain how they will be integrated into the proposed work plan.

It is the policy of the District to investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community, to make reasonable efforts to use these institutions and to encourage Bidder on Department of Transportation assisted contracts to make use of these institutions. Therefore, the District encourages Bidder to use Disadvantaged Business Enterprise financial institutions whenever possible.

*Disadvantaged Business Enterprise Obligation*: The recipient or its Bidder agrees to ensure that Disadvantaged Business Enterprise as defined in 49 C.F.R. Part 26 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds provided under this agreement. In this regard all recipients or Bidder shall take all necessary and reasonable steps in accordance with 49 C.F.R. Part 26 to ensure that Disadvantaged Business Enterprises have the maximum opportunity to compete for and perform contracts. The District and its Bidder shall not discriminate on the basis of race, creed, color, religion, sex, marital status, sexual orientation, familial status, national origin or ancestry, age, physical or mental handicap unrelated to ability, military status, or unfavorable discharge from military service in the award and performance of Federal Transit Administration assisted contracts.

It is the District's intent to maximize the utilization of Disadvantaged Business Enterprises through its Disadvantaged Business Enterprise program. Inclusion of Disadvantaged Business Enterprise participation shall be accounted for in the bid documents. The Bidder to whom this contract is awarded shall not substitute another Disadvantaged Business Enterprise firm for the original listed in the bid without prior written approval of the District's Contracting Officer.

The Bidder or subcontractor shall not discriminate on the basis of race, creed, color, religion, sex, marital status, sexual orientation, familial status, national origin or ancestry, age, physical or mental handicap unrelated to ability, military status, or unfavorable discharge from military service in the performance of this contract. The Bidder shall carry out applicable requirements of 49 C.F.R. Part 26 in the award and administration of United States Department of Transportation assisted contracts.

Failure by the Bidder to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the District deems appropriate.

#### **INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION TERMS**

The preceding provisions include, in part, certain Standard Terms and Conditions required by the United States Department of Transportation, whether or not expressly set forth in the preceding contract provisions.

All contractual provisions required by the United States Department of Transportation, as set forth in the Federal Transit Administration Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all Federal Transit Administration mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this AGREEMENT.

The Bidder shall not perform any act, fail to perform an act, or refuse to comply with any District requests which would cause the District to be in violation of the Federal Transit Administration terms and conditions.

### **SUSPENSION AND DEBARMENT CERTIFICATION**

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995 or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirements to comply with 49 CFR 29 Subpart C in any lower tier covered transaction it enters.

By signing and submitting its bid or proposal, the bidder or Bidder certifies as follows:

The certification in this clause is a material representation of fact relied upon by the District. If it is later determined that the bidder or Bidder knowingly rendered an erroneous certification in addition to remedies available to the District, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or Bidder agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or Bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Contractors and subcontractors are also subject to a continuing duty of disclosure. Contractors and subcontractors must provide immediate written notice to the District if it learns that person involved in a covered transaction has been excluded. The District must then provide written notice to the Federal Transit Administration.

### **BUY AMERICA**

The contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products acquired for use in the construction project must be produced in the United States, unless FTA has granted a waiver, or the product is subject to a general waiver. FTA cautions that its Buy America regulations are complex and different from the Federal "Buy American Act" regulations in the Federal Acquisition Regulation (FAR) at 48 C.F.R. chapter 1, subchapter D, part 25, subparts 25.1 and 25.2. Recipients can obtain detailed information on FTA's Buy America regulation at the Federal Transit Administration's Buy America website. General waivers are listed in 49 C.F.R. 661.7.

A bidder or offeror must submit to the District the appropriate Buy America certification (see attachments) with all bids or offers on FTA-funded contracts, except those subject to a general waiver. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as nonresponsive.

Rights and Remedies - The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law. No action or failure to act by the District or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.
