Cancellation Policy

In an effort to coordinate and distribute services to the greatest number of people in our service area, the following policy will be implemented:

SCT encourages and appreciates patrons who cancel in a timely manner. Cancellations should be received **24 hours** in advance or as early as possible to give other consumers the opportunity to schedule into that time slot. You may cancel your trip by either contacting the dispatching/scheduling staff during normal business hours (5:00 A.M.— 6:00 P.M.) or through SCT's voice mail system, which is available during non-business hours. SCT understands that emergency situations do arise that prevent a full 24-hour notice, and will accept cancellations up to **2 hours** prior to the scheduled pick up time without penalty; however, clients are strongly encouraged to call as early as possible for cancellations. This policy is intended to encourage early cancellation of services so that others may have the opportunity to fully utilize SCT's services.

Passenger No-Show Policy

In this policy, a no-show is defined as the act of a person who, having scheduled a trip, changes his/her mind about making the trip but does not cancel the appointment within the 2 hour prior time frame or allowing the vehicle to arrive but not boarding it. Any rider who fails to cancel at least 2 hours prior to their scheduled service will be considered a no-show. It is also to let consumers know that an established pattern of no-shows may result in suspension of services. When a person has scheduled services, he/she has the responsibility to be ready a minimum of 15 minutes early and to board the vehicle no later than 5 minutes after it arrives or to cancel the trip within a reasonable period of time, i.e. a minimum of two hours or more before the scheduled pick-up time. Services cancelled after the two hour prior to service time line **will be considered a no-show**. South Central Transit will maintain records in order to keep track of no-show incidents. If you are a "No-Show" all subsequent trips for that day will be automatically cancelled unless you telephone SCT and confirm that you still need your other trips at the time that the no-show occurs. Client information will be reviewed on a monthly basis. Clients determined to have chronic no-show problems may be suspended to allow room for those clients who really need and will use the service. Determinations will be made on a case-by-case basis and are at the sole discretion of South Central Transit. All new riders should expect to show a picture ID at the time of his/her first boarding for identification purposes. Riders may, at any time, be required to show a picture ID upon request to verify identification.

Groceries & Packages

Drivers will assist clients with loading and unloading their groceries/packages on and off the vehicle at customer request. For the safety and consideration of other passengers SCT must insist on a limit of 8 grocery bags. Passengers are responsible for getting their packages from the vehicle to their home or building. Aides may accompany a paying passenger at no extra charge to assist the client with packages.

Door-to-Door

Door-to-door service is available per client request. Passengers must request this service through the dispatching office at the time of scheduling transportation.

Curb-to-Curb

Curb-to-curb service is provided unless door-to-door service is requested. SCT vehicles will stop at the curb for passenger pick-ups and deliveries. Upon passenger request the SCT driver will assist passengers with boarding and deboarding the vehicle.

Individuals with disabilities are eligible for discounted fares and will be required to present a State of Illinois Disability ID to receive the discounted fare.

Military/Veteran clients are eligible for discounted fares and will be required to present either a Department of Veterans Affairs Photo ID or a DD214 Military Form along with a State of Illinois issued photo ID to receive the discounted fare.

Mobility Device Services

Clients utilizing a mobility device may remain seated in the device while being transported, however, SCT recommends transferring to a seat if possible for safety and comfort reasons. Drivers will not transfer clients from the mobility device to a bus seat under any circumstances. Client ramps must meet ADA guidelines for SCT employees to provide door to door service. For new clients, it's recommended a home assessment be performed prior to any scheduled service. All mobility devices will be secured at all corners utilizing the 4 point restraint system. Any violation of this procedure should be reported to SCT at 800-660-7433. If you have any questions concerning these regulations, contact 800-660-7433 for more information. 711: For Hearing Impaired.
